MEMORANDUM FOR: Assistant to the Director (Col. Grogan)
FROM : Deputy Director Central Intelligence

I read with great interest Joe Harsch's story in the Christian Science Monitor of November 4. It is a very understanding and on the whole fair comment on some of our recent difficulties. I know Joe quite well. What would you think of my having a talk with him sometime?

ALLEN W. DULLES

*Has bit out article -
He looked with Grogan
last week & saw he
last Friday, 7 November.*
